

105mm

The diagram shows a rectangular print area with a solid black border. Inside this border is a dashed black line representing the final cut line. The dimensions of the print area are 105mm in width and 75mm in height. A central instruction reads 'Please delete layer before sending back to us'. At the bottom, there are two horizontal lines with arrows pointing to them: the top line is labeled 'Text no further than here' and the bottom line is labeled 'Finished item will be cut here'. Below these lines, the text '3 mm bleed' is centered. The entire diagram is set against a background of orange and white diagonal stripes.
