

55 x 90mm Magnet Template

Bleed Area: 58 x 93mm

Extend your background to fill the full bleed area.
This will ensure you don't end up with white edges
when your Magnets are trimmed.

Trim: 55 x 90mm

This is where we aim to cut your Magnets.

Safe Zone: 49 x 84mm

Keep all the important bits of your design:
text, logo, icons - inside this area.
(Not your background, that still needs to run
too the edges of the Bleed Area)

- Edit and save your file in CMYK
- Minimum font size: 6pt
- Minimum stroke thickness: 0.4pt
- Images should be 300dpi when importing
- Delete the artwork guideline group before saving
