

99 x 210mm Magnet Template

Bleed Area: 102 x 213mm
Extend your background to fill the full bleed area.
This will ensure you don't end up with white edges
when your Magnets are trimmed.

Trim: 99 x 210mm
This is where we aim to cut your Magnets.

Safe Zone: 93 x 204mm
Keep all the important bits of your design:
text, logo, icons - inside this area.
(Not your background, that still needs to run
too the edges of the Bleed Area)

- Edit and save your file in CMYK
- Minimum font size: 6pt
- Minimum stroke thickness: 0.4pt
- Images should be 300dpi when importing
- Delete the artwork guideline group before saving
